

Welcome to the Center of Pain Relief and Rehabilitation

We at the Center for Pain Relief & Rehabilitation offer treatment for acute and chronic pain. We have formed alliances with your referring physician, your primary care physician and any other specialists that you may see. We will work toward identifying the cause of your pain and prescribe treatment accordingly.

Prior to your first appointment, please fill out the enclosed forms. This will enable our office to provide you with faster service when you register for your initial evaluation. Also, **please bring the report/film from any MRI, CT scan, X-ray, or other relevant testing you may have had to your initial evaluation.** Please contact your referring doctor and sign a release of information so that we may receive your medical records. Alternatively you may complete the enclosed form to present to your referring doctor.
